

2020-2021 RGB Applications

Dear USYers,

The 2020-2021 Regional Cabinet and I are immensely excited to begin this unprecedented year with you! By applying to Regional General Board (RGB), you are making a commitment to the betterment of the Region we all love and call home. With this, you are taking an important and meaningful step on your journey as a leader in USY, and the Cabinet and I applaud you. RGB has been a super meaningful and life-changing experience for me, and I can't wait to see everything you all accomplish!

This year, as was the case last year, we unfortunately will not be able to accept every applicant to the Regional General Board. We made this decision to help ensure that RGB remains efficient and productive. We strive to guarantee that every member of RGB is dedicated, committed, and ready to turn your ideas and the ideas of the board into action. As such, I highly recommend that you take this application seriously and spend ample time and energy crafting your responses.

The Cabinet and I will be working hard this year to ensure that there are many opportunities for USYers to lead at the regional level, regardless of title. If you are not offered a position, we encourage you to continue to push for your ideas and goals within the region. Please remember that we as a Cabinet respect and value you for who you are, regardless of your leadership role in USY.

You are allowed to apply for as many positions as you like. Each individual RGB application will have a question asking you to rank the position(s) you applied for on that RGB. You will also rank your preference of which RGB you prefer on the "Final Form" that is linked on the PDF. **We highly suggest that you apply for more than one position as you may lose out on the opportunity of being on RGB if you are not chosen for the one position you apply for.** However, because we are not offering as many spots as in previous years, you will only be accepted to ONE position. Therefore, please ensure that you will be happy with being on any of the RGBs for which you apply. You may only be offered a spot, for example, on your 4th choice if you apply for four RGBs; hence, please be thoughtful and intentional about which positions you would like to be considered for. This limit also applies to all Co-Chairs. For example, you are able to be an Encampment Co-Chair however you are unable to be on Exec RGB at the same time. If you apply to both of those positions, you will only have the opportunity to be offered one. We understand that this upcoming year will be completely unprecedented. If circumstances cause your event to sadly be canceled, you will have the opportunity to serve as a general member on another RGB. Therefore, if applying for a Co-Chair position, I strongly urge you to apply for other RGB positions.

At the beginning of each application, the Cabinet member will outline their General Board, including a description of the offered positions. Following the outline, there will be questions for every applicant for that RGB position to fill out. Once you have responded to the general questions, please also respond to all of the questions specific to the position(s) for which you are applying.

Numerous new positions are being offered for the first time this year, so you may wish to read through all of them before making your selection. Please be sure to edit and revise your responses before submitting them, as you cannot edit them after submission. I HIGHLY recommend that you type your answers on a separate document to save your work before copying and pasting your answers onto the form and submitting your application.

ALL APPLICATIONS WILL BE DUE ON August 3rd @ 11:59 pm (PDT)! I strongly suggest you submit your application at least a few hours prior to the deadline to ensure that no technical difficulties prohibit you from submitting your application. Late applications will not be considered. If you have any questions or concerns regarding the process I have outlined in this letter, please feel free to email me at fwusypresident@gmail.com. The Cabinet and I cannot wait to hear your ideas, goals, and visions for USY. We hope you have a fantastic summer and we're so excited to see you at the next regional event!

Looking forward to all we can achieve together,
Spencer Harrison Sacks, Far West USY 2020-2021 Regional President
On behalf of the Far West USY 2020-2021 Regional Cabinet
